**A. HIGH CRASH LOCATIONS MAP/TABLE**

The High Crash Map and Table were reviewed and no changes were made.

**B. BRIDGE DEFICIENCY MAP/TABLE**

The Bridge Deficiency Map and Table were reviewed. Bridge #13 was not on the map.

It was suggested to add '(tons)' to the Posted Single Vehicle and Posted Truck

Trailer/Semitrailer to the table. It was noted that Bridge #8 had the incorrect route.

**C. HIGHWAY MAP**

The Highway Map was reviewed and no changes were made.

**D. BICYCLE MAP AND PEDESTRIAN MAP**

The Bicycle Map and Pedestrian Map were reviewed. The following were recommended:

- A multi-use path along NC 94 between US 264 and Seth Rd.
- An on-road bike lane along NC 94 from Seth Rd to Tyrrell County.
- An on-road bike lane along N Lake Rd.
- A multi-use path near the intersection of Green Hill Rd and US 264.
- Sidewalks in Engelhard.
- Sidewalks along Main St.

**E. TRANSIT**

Beverly Paul is going to get together a list of the fixed routes in Hyde County to develop the Transit Map.

## **F. OCRACOCKE**

Robin Payne and Leslie Lanier were emailed the maps (Highway, Bicycle, Pedestrian, 2035 Volumes and Capacities, Bridge Deficiencies, High Crash Locations) and the Project List to mark up with the needs of Ocracoke.

## **G. PROJECT LIST**

The project list was reviewed and changes will be made based on the committee meeting.
